

Application for Admittance into the FHS Carpentry Program

The goal of the FHS Carpentry program is to provide the students with preliminary job-entry level skills in the construction field. Please keep in mind our facilities limit the number of students who can enroll, therefore, the completion of this form does not mean automatic enrollment in this program. Applications will be screened and applicants will be interviewed as necessary.

This application must be returned to Mr. Brooks prior to registration.

NAME _____ GRADE ____ DATE _____

ADDRESS _____

PHONE _____
