

Fremont Re-2 Opt Out Form

For Student Photographs & Directory Information

If you do not wish photos or directory information released about your student, return the completed form (below) to your child's school office.

Directory information can be made public without the consent of parents.

Directory information means the student's name, parent/guardian name(s), address, telephone listing, birth date, post-high school career plans, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, type of awards received, and the most recent school attended by the student. The names, addresses, and telephone numbers of students in grades 9-12 will be released upon request to military recruiters and institutions of higher education unless parents have advised the school in writing that they do not want their student's information disclosed without their prior written consent. In addition, the district will release the student's current school, address and telephone number to appropriate law enforcement personnel including Child Protective Services.

Return the completed form to your child's school by September 30 each school year or upon registration for new students only if you are choosing to opt-out

The request for restriction is recorded into the student information system and the form is kept on file in the school's office for one school year. For more information contact your child's school.

If no documentation is on file, it will be assumed that permission for release of directory information and/or photos has been granted.
