

Fremont Re-2 School District Network and Internet Access Agreement

Parents and Students: The Re-2 School District provides students and staff with access to a variety of resources through the district's network. Resources include, but are not limited to: iPads, Tablets, Computers, Servers, Applications and the Internet. The goal of the district in providing this service is to promote educational excellence and student achievement in our schools by facilitating resource sharing, innovation and communication.

The smooth operation of the network relies upon the proper conduct of the users who must adhere to strict guidelines. Basic guidelines are provided here so that you are aware of the responsibilities you are about to assume. If a user violates any of these provisions, his/her account will be terminated and future access may be denied. Disciplinary action for students will be in accordance with existing discipline policies and may include suspension and/or expulsion. Your signature or acceptance on the online enrollment application indicate(s) the party/parties who signed this agreement has/have read the terms and conditions carefully, understand(s) their significance, and agree(s) to fully comply with them.

Guidelines

1. The computers and network resources, including the Internet, are to be used for educational purposes only. Transmission of any material in violation of federal or state law or regulation is prohibited. Use for commercial activities is prohibited unless written consent from the Re-2 School District has been granted.
2. It is acknowledged that not all student access to the Network or Internet can or will be supervised.
3. The user specifically agrees not to access, submit, publish, display or print any defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive or illegal material.
4. The user further agrees to use the district's computer and network resources in accordance with all copyright laws. Copying, saving or redistributing copyrighted material is not allowed and the user should assume material is copyrighted unless explicitly noted otherwise.
5. The Re-2 School District has installed a Child Internet Protection Act (CIPA) compliant device to help circumvent objectionable material from being accessed on the Internet. However, the district cannot control all Internet content or access thereto; some which may be deemed offensive by some, therefore, the school district shall not be responsible for any material or information accessed on the Internet by any user and shall not be responsible for the impact or effect of the information on the user.
6. District administrators reserve the right to monitor any and all activity on district systems.
7. Files stored on district servers, electronic mail, and use of the district's computers or network are not private and may be subject to inspection and/or monitoring at any time.

8. Vandalism shall result in cancellation of privileges and/or disciplinary action. Vandalism includes any malicious attempt to destroy or alter data on the network. Any attempt to access restricted data will result in termination of privileges and/or disciplinary action.
9. Use of personal electronic devices (PED) within the district's boundaries is subject to all the rights and policies as outlined by the district. The district reserves the right to confiscate any PED that it believes is being used in a manner that violates any of the district's network and Internet policy. Confiscated devices will be turned over to local authorities if deemed it contains illegal content and may be held by a member of administration until returned to a parent or legal guardian.
