

State Program Assessments

The district shall participate in the state assessment program in accordance with state law.

Students who have participated in the English Language Proficiency Program pursuant to state law for more than three years shall be ineligible to take state assessments in a language other than English.

Pursuant to state law, statewide assessments will be administered during the period between the second Monday in March through the third Monday in April each year.

The Colorado Department of Education is required to provide diagnostic academic growth information for each student enrolled in the district and for each public school in the district based on the state assessment results for the preceding school years. This information shall be included in each student's individual student record. Appropriate school personnel, including those who work directly with the student, shall have access to the student's statewide assessment results and longitudinal academic growth information and shall explain that information to the student's parent/guardian.

Except for the college entrance exam, results of the assessment shall be included on each student's final report card for that school year and made part of the student's permanent academic record. Results of the college entrance exam shall be included on each student's transcript. However, if a student retakes the exam at a later time at the student's expense, the student may request that the later results be placed on the transcript in place of the earlier results.
