Our school district recently explored changing the school bell schedules. We have been trying to solve the issue of overcrowding on some of our bus routes. However, after further discussion and feedback from our community, parents and staff we have decided that bell schedules for the 2019-2020 school year will remain the same for next year.

The bell schedules will not change.

We are committed to seeking other avenues to solve the overcrowding concerns on our bus routes. We may continue to study the bell schedule options into next year.

Thank you to everyone who took the time to offer input as we considered this change.
