

# Stop By and Check This Out!

Fremont Re-2 has been reviewing a new math program this year. We would like your input! The program being considered for final selection is 'INTO MATH' by Houghton Mifflin. It will be on display in the lobby of the T&I Building through May 9. Please feel free to stop by, review the material, and fill out a review survey.

## Overview

### A Vision for Student Growth

Imagine a math classroom filled with students who are ready to tackle any problem, supported by a teacher who has the tools and instructional techniques needed to ensure success.

*HMH Into Math* uses an approach focused on a growth mindset for students and real feedback from teachers to drive growth for each and every learner.

Explore what makes the *HMH Into Math* experience the comprehensive, total solution needed to accelerate growth and make students unstoppable in the classroom.
