

## FREMONT RE-2 SCHOOL DISTRICT STUDENT REGISTRATION

The Fremont RE-2 School District will begin student registration July 24 for all new and returning students.

Completing **Online Registration is required each year for all new and returning students** across the district and is important because it is a way to keep your and any emergency contact information up-to-date. It keeps the school informed of your student's medical needs and allowances, and it provides us with other up-to-date pertinent information that we require to provide educational services, including transportation and other services for which your student may qualify.

To complete your **returning student's** Online Registration, log into your Parent Portal under the Parents tab at [www.re-2.org](http://www.re-2.org). Once logged in, click the Online Registration link near the bottom of the page on the left side and follow the steps to submit.

To complete your **new student's** Online Registration, click "New Student Registration" under the Parents tab at [www.re-2.org](http://www.re-2.org). Next, click the "New Student Registration" link and follow the steps to submit.

If you need assistance with Online Registration, are having difficulty accessing your Parent Portal, or if you do not have access to a computer, please contact the district registrar, Kristal Wood, at (719)784-2552, and she will be happy to help you.
